

May 2017

Aloha!

The American Society of Civil Engineers (ASCE) Hawaii Section cordially invites you to participate in the **15<sup>th</sup> Annual Scholarship Golf Tournament in Honor of Steve Fong which will be held on Friday, August 4, 2017 at the Pearl Country Club**. Similar to what we've done in the past, this year's tournament proceeds will be donated to the University of Hawaii ASCE Student Chapter to assist in their efforts to raise awareness and introduce more students to the engineering profession. The ASCE Hawaii Section is honored to host this fundraising tournament in support of the growth and development of future engineers.

The ASCE Hawaii Section, along with the ASCE Student Chapter, is truly grateful to our participants for the tremendous support and camaraderie experienced in previous tournaments. We kindly seek your continued support and assistance in ensuring this year's tournament is just as successful!

You can help by entering a corporate sponsored team, or by registering as an individual. We also welcome any donations for the golf event: monetary gifts, merchandise, and/or gift certificates for team prizes, etc. All donations, excluding the value of any services/benefits received, are tax deductible. The registration/donation form is attached.

Your earliest registration would be greatly appreciated (early registration closes July 7<sup>th</sup>, 2017). The deadline to register for the tournament is on **July 21<sup>st</sup>, 2017**. Should you require any additional information, please do not hesitate to call Ms. Lori Fong at 955-4441 or Ms. Emi Kiyoi at 382-6717.

Thank you for your time and consideration and we look forward to seeing you there!

Mahalo,

Tim Goshi, P.E., MBA, M.ASCE  
President, Hawaii Section

Payment will not be accepted on the day of the tournament. **Discounted early registration and payment (for sponsor entries) must be received or postmarked by July 7, 2017. All other entries deadline July 21, 2017.**

**String Game Rules            \$50 per packet**

Included in the packet:

- 18 feet of string (in one (1) foot increments)
- Instructions

Each team can use the enclosed 18 feet of string, or any portion, thereof, to BETTER their lie of the ball at any time of the round, without penalty. Length of use must be discarded (rounded UP to the nearest foot), as they have used that portion of string. Once the string is used, there will be no re-use of the string at a later time of the round. This is based on an honor system.

An example of the string use:

Say your team's best lie from your drive off the tee is in a sand bunker, 5 feet into the bunker. If your team chooses to, you may use, say 6'-2" feet of the string to get you out of the bunker. You discard 7 pieces of string, as you have used it to better your lie. The remaining 10" that was not used on the last piece of string is lost. You now have 3 feet of string remaining. Your team decides when the use of the string would be of the most benefit to your score.

Par Three. On a par three, if your best lie is within the 10 feet of the hole, your team may opt to use the string to post a score of one (1). However, it does NOT qualify the team for the Hole-in-One prize. To collect a hole-in-one prize, the shot MUST be made off the tee.

Any questions, please ask a volunteer and they shall get a response for you.

Thank you!
