<u>Hoolawa Place (Pearl City)</u>: assigned to “Plasti-Pave” (Pavement Rejuvenator) – SealMaster®/Hawaii

Section End: Lat = 21.395091, Lon = -157.967669

Hoolawa Place
Field notes: Various cracks
Some oil Spots
62 ft diameter (field) - 64 ft estimated fwith Google earth
Need to review in te field. Cracks are no observable from Street View (either they are new or we need to review the annotation)
Access from Hoolaulea St
Some cracking only at the neck of the cul-de-sac. It may be a good candiate for fog seal. Mud at the entrance (intresection with Hoolaulea St) may contaminate treatment.
